January 2019 Specials

Venus Freeze™ Skin Tightening for the Face only \$250

Venus Freeze™ is a non-invasive anti-aging treatment that works to firm up sagging skin and diminish fine lines and wrinkles by boosting collagen production, restoring a more youthful, refreshed appearance.

One area of Xeomin® for just \$199

Over time, as your skin ages, repeated expressions cause lasting frown lines. Xeomin® blocks the release of chemicals that cause these muscle contractions so frown lines are softened.

These **January Specials** is offered only on the items listed on this coupon for the month of January 2019. You must present coupon at time of appointment. Please call for more details.
